World Kindness Day
Nov. 13

Kindness is more than a nice gesture it is fundamental to happiness, strong relationships, and healthy communities. Research indicates that regular acts of kindness:

- Boost well-being and reduce stress for both the giver and receiver.
- Strengthen empathy, trust, and social connections.
- Encourage positivity and reduce negative behaviors and conflicts.

In schools and youth groups, embracing kindness can boost morale, academic performance, and a sense of belonging among students. On World Kindness Day, everyone is called to join in and create a ripple effect of happiness. Ask your kids how they showed kindness to others today. How did you show kindness today? Do one kind act a day - make it a habit!

Winter Sports Expectations

As our winter sports season gets underway, we want to remind everyone of a few important expectations to help keep our students safe and our building secure.

Please do not drop your child off more than 15 minutes before practice begins.

Students should not enter the building without their supervising coach present.

If parents plan to stay in the building during practice and have other children with you, the children must remain with the parent in the gym and seated at all times. Children may not roam the building, interfere with practice, run or use equipment that is not theirs, or engage in horseplay.

If the behavior does not improve, the elementary gyms may need to move to a "closed practice model", which would require families to wait in their vehicles during practices.

Thank you for your cooperation and for helping the Lima Catholic Community Schools maintain a safe and respectful environment for all. Wishing all a safe and successful season.

Toys for Tots

Looking Good!**

Dear Parents, Guardians, and Families,

Our week began with a flurry of wintry snow! As the weather continues to change unpredictably this time of year, please be sure your child comes to school each day with a warm coat, hat and gloves. Recess lasts for 20 minutes, and we make every effort to go outside whenever possible. Fresh air and physical activity play an important role in helping students reset and return to afternoon learning with focus and energy.

As we approach the 2nd quarter mid-term on Friday, November 14, this is an ideal time to review your child's grades and discuss areas of strength as well as goals for continued growth. Homework remains an important part of reinforcing learning at home, and your partnership in supporting these habits makes a meaningful difference in your child's progress.

Wishing you a wonderful weekend and an opportunity to enjoy the milder temperatures ahead.

Yours in Christ,

Mrs. Donna Judy, Principal
JMJ
