## Mission Statement

The mission of St. Rose Catholic School is to build upon a strong Catholic Tradition to form Disciples of Christ while providing high-quality education.

## Dear Parents, Guardians, and Families,

This week, students in Kindergarten through 8th grade began taking their fall MAP (Measures of Academic Performance) assessments. These assessments are given three times a year- fall (September), winter (January) and spring (April).

- Kindergarten-2nd grade: take 2 assessments
- 3rd-8th grade: take 4 assessments
- Each test takes about 45-60 minutes

To ensure students do their best, it's important that they:

- Arrive on time each day
- Get a good night's sleep
- Eat breakfast before school starts

Teachers may break up testing sessions over multiple days, especially for younger students, to prevent fatigue and ensure accurate results. Test results will be reviewed with families during fall conferences.
