

June 4, 2025

Dear Parents and Families,

We hope you are enjoying the start of your summer break, and that warm sunny days are ahead so everyone can spend some time outdoors. Enclosed with this letter are several important documents. Please review all the materials carefully, as some items require immediate attention.

1. **Finalforms (Online Registration for 2025-26)**

We are transitioning to FinalForms, an online registration system designed to streamline the enrollment process for families and improve efficiency for our staff. All families with students enrolled for the 2024-2025 school year (Preschool through 8th) should have received an email with instructions to create a FinalForms account and complete the necessary paperwork.

- **Deadline:** All forms must be completed by **June 20**.
- **Need help?** If you didn't receive the email or need assistance, please contact the school office. Computers are available at school to help you complete the forms if needed. Don't wait until June 20.

2. **EdChoice/EdChoice Expansion (Tuition Scholarship Program)**

EdChoice materials are included in this mailing.

- If you are completing the **digital EdChoice application**, you may download and submit it online to Finalforms. Don't forget to include a current utility bill.
- If you prefer or are experiencing technical issues, a **hard copy** is included for your convenience. Please return the completed form and proof of address (current utility bill) to the school **no later than June 20**.
- **Kindergarten families** applying for **EdChoice Expansion** (based on income) must complete the income application online in the EdChoice portal (OHID). Please contact the office if you need help with this process.

3. **Outstanding balances**

Statements for any outstanding balances related to fees, lunch charges and/or damages to books/chromebooks are enclosed. Please ensure all balances are paid in full by **June 20**.

4. **Report Cards**

Your child's final report card is included. We encourage you to review it together-celebrate their successes and discuss areas for improvement. Daily reading over the summer is essential to prevent learning loss.

5. **Spring MAP test results**

Enclosed are your child's Spring MAP test results, along with a guide to help you understand the report.

6. **Student Password Sheets**

We've included your child's password sheet for logging into school-related online programs. These can be used over the summer to maintain academic skills.

7. **School Supply Lists**

Grades K-8 supply lists are included. Some items were removed due a large stock in inventory. Baggies, erasers, notebooks and filler paper are among items in stock.

8. Online Learning Resources

- **Reading Eggs & Mathseeds:** For building reading and math skills (K-5th grade).
Just one hour a week in each program can make a significant difference.
- **ALEKS:** A math program for our junior high students.
Just one hour per week can make a significant impact.

9. School Uniforms

Included is a flyer from Ward Apparel, our designated school uniform provider. Uniform guidelines are outlined on the back of the flyer.

School office hours

Office hours are posted on our website calendar: srslima.org. In June, we are open **Monday-Thursday 9-2**, or by appointment. The office will be **closed in July**.

On behalf of the entire faculty and staff, we wish you a relaxing and enjoyable summer break. We will see everyone back in August!

Yours in Christ,
Donna Judy
Principal
